

The Laws of Faith

In order to achieve victory in our lives in the areas of the blessings of Deuteronomy 28:1-14 then we must believe and not doubt. As Andrew Wommack points out in his teaching **Receiving from God II Lesson 4 Healing** we can be in a state of both belief and unbelief at the same time. We can have both knowledge and ignorance, or wrong teaching. We may be informed both by our senses and by spiritual truth. These states can be represented by quadrants where movement along the horizontal and vertical axes determines where the person is in the four quadrants.

For example; if a person has a good knowledge of the word and believes with little unbelief they will be in the 'Victory' quadrant, but if they are both ignorant of the Word and mostly unbelieving then they will be in the 'Defeat' quadrant.

Many Christians will find themselves in the 'Mixed results' quadrants and will be fairly satisfied with that position. It is challenging to note that God is most definitely not pleased with mixtures. He is always pleased with you but always wants the best for you.

Note the following scriptures:

Deut 22:9 "You shall not sow your vineyard with two kinds of seed, lest the whole yield be forfeited, the crop that you have sown and the yield of the vineyard.

Deut 22:10 You shall not plow with an ox and a donkey together.

Deut 22:11 You shall not wear cloth of wool and linen mixed together.

Rev 3:15 "I know your works: you are neither cold nor hot. Would that you were either cold or hot!

Jos 24:15 And if it seem evil unto you to serve the LORD, **choose you** this day whom ye will serve; whether the gods which your fathers served that *were* on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD.

Deu 30:19 I call heaven and earth to record this day against you, *that* I have set before you life and death, blessing and cursing: **therefore choose life**, that both thou and thy seed may live:

It is not that we have to work or keep laws in order to earn blessings such as healing or prosperity; they have already been earned for us and gifted to us by Jesus. We have to **actively choose** to live in His Kingdom (or quadrant) by the renewing of our minds and deciding to believe the truth of the Word of God rather than what our senses tell us.
